

Nair®

Nair Pretty® Hair Removal Cream – Soft Raspberry

Directions

1. Smooth on a thick even layer of cream to cover hair. **DO NOT RUB IN!**
2. After 4 minutes test a small area for hair removal. If hair does not remove easily leave cream on a few more minutes. **Do not exceed 10 minutes in total.**
3. Remove the cream with a wet wash cloth then rinse the area immediately with warm water **without** soap. **DO NOT RUB!**

SAFETY DIRECTIONS AND WARNINGS

Irritation or allergic reaction may occur with some people, even after prior use without adverse effect, therefore test before each use by applying product to a small part of the area where hair is to be removed. Follow directions and wait 24 hours.

If skin appears normal, proceed with full application. Do not use on irritated, sunburned, inflamed or broken skin. Do **not** use on face, around eyes, in nose, ears or on breast nipples, perianal, or vaginal/genital areas. Avoid contact with eyes. **Keep out of reach of children.**

First aid: for advice contact the poisons information centre (phone australia 13 1126) or a doctor at once. If swallowed, do not induce vomiting. Should product come in contact with eyes, wash thoroughly with running lukewarm water until advised to stop by the poisons information centre or a doctor, or for at least 15 minutes.
